## INTRODUCTION TO THE ESTATE

Situated in the village of Cabanac-et-Villagrains, in the township of La Brède, the Château Langlet is one of the most ancient wines of the region. It is listed for its red and white wine production in the 1868 edition of "Bordeaux and its Wines", published by the Féret editions.

The vineyard is spread over a hill of deep gravel, with a magnificent position. It has been in the Jean Kressmann family since 1999, which has enforced a traditional winegrowing and winemaking culture in order to obtain the best from this exceptional terrain. The winery has obtained High Environmental Value (HEV) certification in 2019.

This wine has a very pale color with shiny silver reflections. The nose is very expressive with pleasant notes of citrus and tropical fruits. In mouth, the attack is slightly acid and fresh. The finale is lingering, marked by citrus zest hints (pink grapefruit).
